Mennonite World Conference has formed a Prayer Network - Why not consider joining your sisters and brothers from around the world in this joint effort of prayers? Why would you join the Prayer Network?

1. To pray for God's blessing on the global Assembly in July. May the visa process be as smooth as possible. May we North Americans be filled with a generous "hospitality of spirit" to host and "receive" those coming from dozens of countries.
2. To pray for sisters and brothers around the world in fellowships which face hardship and persecution.
3. To pray for the hundreds of young adults (age 18+) who are coming from many countries to attend the Global Youth Summit next July.

Go to www.mwc-cmm.org/content/join-mwc-email-list to sign up and receive regular updates and prayer requests.

• **Mennonite World Conference** – “It's the closest to heaven I've ever been,” is an often-heard comment from many who have attended past Mennonite World Conference global Assemblies. If you have not yet registered to attend this event on your own continent – a “once-in-a-lifetime” opportunity for many – please consider doing so today, July 21-26 in Harrisburg, Pennsylvania. For full information and registration details, go to www.mwc-cmm.org/pa2015 This is the first Assembly in North America in 25 years. Given the current pattern of holding Assemblies every six years in either the global South or North, it could be close to 30 years before this event is once again held in North America
