Welcome to God's Abundant Garden

Prelude

Welcome

Call to Worship Based on Psalm 104

God set the earth on its foundations, so that it will never be shaken.

God waters the mountains and the earth is satisfied with the fruit of God's work.

God causes the grass to grow for the cattle and nurtures plants for people to use.

God brings forth food from the earth and bread to strengthen the human heart.

All creation looks to God to give them their food in due season; when God opens God's hand, we are filled with good things.

We will sing to the LORD as long as we live, with gratitude we will sing praise to our God as long as we have breath. Praise be to God!
