WELCOMING IN FAITH & WORSHIP

Prelude

Welcome

Call to Worship

As bees gather to collect the nectar of blossoms,
we gather to be nourished by the love of the Great Creator.

As turtles bask in the warmth of the sun,
we long to soak in the warmth of God's Spirit.

As parched plants stretch deep in search of water,
we pray to the one who is the Living Stream, to keep us rooted and strong.

As all life is sustained by the delicate balance of our planet,
we pray for the wisdom to protect and respect all that God has blessed us with.

Come, let us worship our Creating God.
