GATHERING IN FAITH & WORSHIP

Prelude

Welcome

Call to Worship inspired by Job 38, Psalm 104

Welcome! It is good to worship together!

We, younger and older, come to praise and share together.

Welcome to this place — full of music, words, prayer — yet also filled with grace, comfort, and challenge:

where we encounter a Wisdom we cannot always understand.

Welcome to God's House,

where we talk about and with God,

and are reduced to silence so we may hear the call to discipleship.
