GATHERING IN FAITH AND WORSHIP

Prelude

Welcome

Call to Worship

One Come worship the God of creation who has planted us like a tree in good ground.

Many We worship the God who has grounded us in faith and in the Word.

One Come worship the God who is with us in Jesus Christ, the Word of God who was among us.

Many We worship the God who continues to save us in the storms of life.

One Come worship the God who tenderly watches over us and sustains us by the Spirit.

Many We worship the God who guards us from danger and guides our way.

All praise and thanks to God!

SHARING THE LOVE OF CHRIST

Sharing Our Joys and Concerns

Praying Together

We confess that God has planted us to be the church in this time and place, yet how often we have failed to live into our calling. Instead of delighting in God's Word, we have been distracted by the things of this world. Instead of remaining grounded and flourishing to bear good fruit, we have been pulled in many different directions. Instead of seeking God's path for us, we have gone our own way. Forgive us God, watch over us, guide us, and grant us the courage to follow you.
