Dare to Imagine God's dance!

GATHERING AND PRAISING GOD

Prelude Now the Heavens Start to Whisper #237 VT
Welcome
Call to Worship Byron & Karen G
One Come and in a holy dance – a dance God has been imagining since the beginning.
Many We come, weeping.
One Join in God's comforting dance.
Many We come with nothing.
One Join in God's dance of abundance.
Many We come, feeling disconnected.
One Join in God's intimate dance.
Many We come, although we do not know how to dance.
One Will we dare to learn the moves? Do we dare step onto the dance floor?
Many We join in God's daring dance.
