Church Use Policy

Breslau Mennonite Church, a not for profit corporation, provides facilities for activities for friends, families, visitors, neighbours, adherents and members, which are purposefully any or all of the following:

- reverent
- compassionate
- hospitable
- charitable
- community building
- health promoting: mentally, physically, and spiritually

BMC will rent the facilities to approved individuals and groups for whom the Trustees deem their purpose to be appropriate.

The Trustees may exercise their discretion with specific requests or may elect to defer to Church Council

Fundraising (revenue generating) activities within the facilities are to be not for profit. Fundraising, by approved renters, is permitted when the proceeds are given directly to non-profit organizations and charities.

Use of the facilities will be on a first-come, first-served basis. Ministries and functions of the congregation and Mennonite organizations receive first priority. A congregational emergency gathering takes priority over all other events.

Children must be supervised and their safety considered foremost in all activities and uses of the facility.

Users of the facility must follow BMC's Safe Place Guidelines.

NOTE: Our insurance company requires a Liability Certificate for any group or individual renting our facilities. The liability limit would be for a minimum of \$2,000,000 (2 million).

RENTAL FEES SCHEDULE
